

Winter 2024 Development Program

About the Program

Are you a curious and creative thinker interested in finance?

The Barrenjoey Winter Development Program welcomes penultimate year students from all degrees and disciplines.

Successful candidates will join the Barrenjoey Corporate Finance team over a 3-4 week period in June/July*. The program will offer training, support, mentorship and hands-on experience in corporate finance.

What's the process?

Apply [here](#) with your CV and transcript.

Successful candidates can expect the following process:

- Video call with People and Culture
- Attend a Barrenjoey information workshop (if Sydney or Melbourne based)
- Assessment and interviews
- Offer extended

What's on offer

This is a paid opportunity. Participants will join a development program over their winter break and may be offered the opportunity to join our summer 2024-25 internship program, with a \$2,500 reward upon commencement of the summer internship.

Key dates

- Applications close on 7 April (Sydney) or 14 April (Melbourne)
- w/c 8 April: Invitation to attend development workshop in Sydney (18 April) or Melbourne (22/23 April)
- Post workshop: Online assessment (to be completed in own time) and attendance at an interview day either online or at our offices in late April

About Barrenjoey

Barrenjoey is a proudly Australian financial services firm. We're uniquely majority staff owned and locally managed with global reach through our strategic partnership with Barclays.

Entrepreneurial and partnership focused, we aim to deliver great ideas and opportunities to help clients succeed. We're also passionate about driving positive social outcomes for communities that rely on corporate support.

Key Questions

How can I learn more about the program?

You can either contact us on careers@barrenjoey.com, or apply for the program. If selected, you will have the opportunity to discuss the program during your video call with People and Culture, and at our information workshop.

Is this only open to finance students?

No – this is expressly open to students from all disciplines and backgrounds. Whether you're studying commerce or engineering, we welcome you to apply.

How can I learn more about early career programs at Barrenjoey?
